

Traditional Laws

**You shall not murder,
and whoever murders
will be subject to
judgment.**

adultery.**

and hate your enemy.**

Christ's New Commandment and Call to Action

**Internal anger,
insults, and nursing a
grudge carry the same
spiritual weight as
murder.**

**Looking at someone
with lustful intent is
already committing
adultery in the heart.**

**Loving people who
love you back requires
no special character.**

**Prioritize immediate
reconciliation with
others.**

**Take radical,
immediate action to
remove temptations
that cause you to
stumble.**

**Love your enemies
and pray for those
who persecute you to
reflect God's
unconditional love.**
